

Report of Workshop on Career after Graduation

Program : Workshop on Career after Gradation

Date : 24/10/2020

Resource Person : Akash Mani Tiwari

Number of Participants : 54

Objective :

To help students to know various career options available after graduation and to help them to understand their personality traits and which would best suited for the job.

Brief Report

Most of the students after completing their graduation feel confused about what to do next? While some students know exactly what career option to choose and how to build a professional career after Graduation. Most of the students start feeling the performance pressure and land themselves in a no man's land.

It's quite natural to get confused when it comes to choose the right career after Graduation. Today, there are numerous career options available for students to pursue, and this is the reason why they find it difficult to decide which way to go. This is the time when they struggle to realize their passion and skill sets.

Still, the big question remains the same; "What should I do after Graduation?" The workshop addressed their fear and explained them about various further study option after commerce graduation. Resource person also explained them what are several new avenues which have opened for commerce graduates.

Outcome :

Student understood various career options available after graduation and the necessary skills required to become successful in job. They have also understood in case of any doubt they can also meet career counsellors or do an internship in the area they like to understand their potentials and passion.
